MEMORANDUM FOR: [REDACTED]
Chief, Insurance Br./BSD/OP

STATINTL

SUBJECT : Minutes of the GEHA Meeting

The minutes for the GEHA Meeting of 28 August 1959 are approved, however, I suggest the following be added to paragraph 5.

"The Board agreed that if and when the insurance bill passed the Congress it will be necessary for the Agency to negotiate with the Civil Service Commission on the status of the GEHA Hospitalization Program. Under these circumstances it will be further necessary that the Board draft a policy guideline for [REDACTED] to follow in connection with his negotiations with the Civil Service Commission to assure fulfillment of all Agency interests."
